## STUDY PROGRAMME IN ENGLISH FOR WHICH A CALL HAS BEEN ANNOUNCED:

**HYGIEIA – Health and Wellbeing Across the Lifespan, in English (120 ECTS)**

## NUMBER OF VACANCIES FOR STUDENTS:

A total of 25 students will be enrolled in the master's academic study program HYGIEIA – Health and Wellbeing Across the Lifespan in English, of whom four are self-financed. Erasmus Mundus scholarship holders are exempted from paying the tuition fee.

## CONDITIONS:

HYGIEIA will accept candidates holding academic degrees which are equivalent with European Qualification Framework Level 6 (or higher), from areas related to pharmaceutical sciences, medical sciences, nutrition, sports, biochemistry, chemistry, biology or other health and life science related areas. Holders of an academic, scientific or professional curriculum, preferably in the area of Health Sciences, and secondarily in Biochemistry, Chemistry, Biology, Nutritional Sciences, Sports or other related areas of Health and Life Sciences, which is recognized as attesting to the capacity to carry out this cycle of studies by the statutorily competent scientific body, who are subject to an interview, can also be accepted.

The prerequisite for enrollment in a study program conducted in English is proof of knowledge of the English language at the upper intermediate level of competence = B2 - *Cambridge Advanced Certificate in English* (CAE) or *IELTS (International English Language Testing System)* certificate or completed secondary school education in English. During the interview, which is conducted for candidates who rank higher in the cumulative assessment, these language skills will be thoroughly evaluated. Even if previous studies were in English, submission of an approved English language test result is mandatory, unless the applicant is a native speaker.

## CRITERIA FOR DETERMINING THE ORDER OF CANDIDATES:

The order of candidates for enrollment in the first year is determined based on:

- **CV:** Carrying a 30% weight, this criterion assesses the applicant's background in the H&W field, prior research experience, professional background, and proficiency in digital tools and soft skills;
- **Motivation letter:** Assigned a 10% weight, it is crucial to understand the applicant's aspirations and commitment;
- **Grade of Previous Studies:** This criterion, with a 15% weight, assesses the candidate's academic performance in prior studies.
- **Letters of Recommendation:** Holding a 10% weight, letters of recommendation provide valuable insights into the applicant's character and capabilities;
- **Interview conducted in English:** With the highest weight at 35%, the interview is a mandatory phase for candidates who rank higher in the cumulative assessment of other criteria. This interview aims to evaluate academic skills and interpersonal competencies.

## TUITION FEE:

Tuition fee for all students: 4,500 euros (€) per semester.

This amount will be covered by the European Education and Culture Executive Agency (EACEA) for students who receive an Erasmus Mundus Scholarship.
